Community School District 28 Celebrates

**ASIAN AMERICAN
NATIVE HAWAIIAN &
PACIFIC ISLANDER
HERITAGE MONTH**

Remembering Who We Are and Why We Are Here

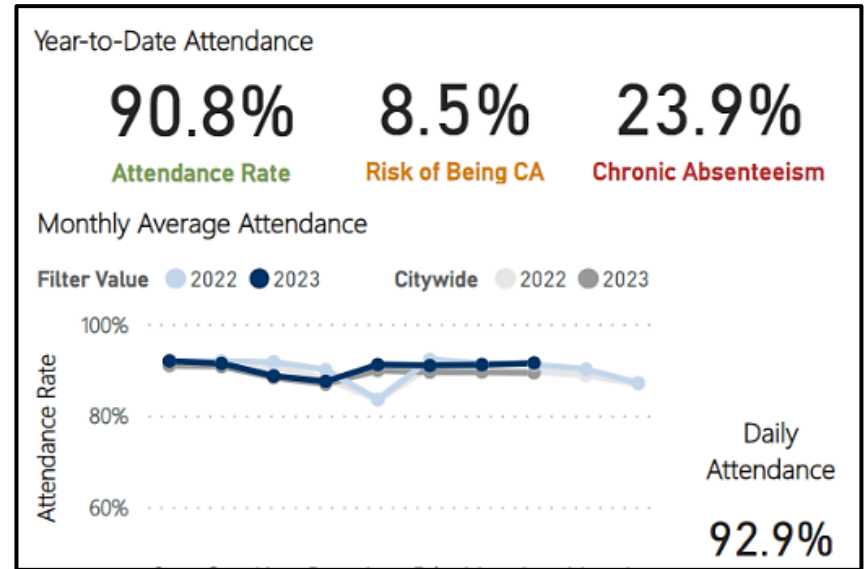

Vision

In Community School District 28 we celebrate our differences because we understand that woven into those differences is the knowledge that they offer us unlimited possibility to learn and expand our knowledge of and commitment to all humanity. We are beautifully diverse; coming from countless racial, ethnic, language, and belief backgrounds. We commit to striving for inestimable contribution to the lives of our scholars.

Mission

In Community School District 28 we focus on equity as a lever for achievement for every single scholar. We are a district of excellence. We commit to being a district of learners ensuring that we promote critical thinking rooted in core content conceptual understanding through creative problem-solving, technology innovation, social emotional learning and community advocacy.

Our Current Attendance Data

Improving our district attendance requires all of us to work together. Be sure to have your scholar attend school everyday. Reach out to other parents and guardians. If they need support, let your Parent Coordinator know. They will contact the family for support with resources.

Community and Citywide Education Council elections are underway. Please help us in spreading the word to your school community networks and encourage parents to vote in CCEC elections before the May 9 deadline.

If you are an NYC Public Schools parent, make sure you take time to learn about the candidates and vote!

Core Curriculum: Literacy

Due to a very tight turnaround time, we have decided to move forward with HMH Into Reading as our districtwide literacy curriculum for the upcoming school year.

We will reconvene our curriculum planning work on May 26, 2023, with a collaborative professional learning session with our HMH liaison from DOE Central-Division of Curriculum & Instruction.

We will meet convene with principals and teacher leaders to plan the phased roll-out of HMH Into Reading across the district. This is a collaboration planning event that will leverage educators across our district to outline professional learning opportunities for staff to ensure we have a strong plan to meet the learning needs of all our scholars across the district.

Congratulations

Borough President Donovan Richards has done it again!
