NEW THIS ELECTION CYCLE:

- ✓ The addition of this new D75 member ensures representation that is reflective of the diversity of our communities.
- ✓ Candidates for the D75 seat will be elected by parents of D75 students to serve on these Community Education Councils.

What Do Education Councils Have to Do with Me?

Councils support our public schools.

They make decisions that impact our children's education and play an active role in their community.

Who Elects the Education Council Members?

The parents of all public school students will decide who represents them on their district or citywide council.

- Parents vote for each council that serves their student(s). Many families will be eligible to vote in more than one council.
- Both parents of a student may vote in the election. Parents vote using their NYC Schools Account (NYCSA).
