Meeting was called to order by President Mezetin at 8:25pm  
 Roll call by President Mezetin and Quorum was met

President Mezetin announced the situation about the unresponsive Member. He asked the FACE Liaison to provide guidance on the unresponsive member that didn't complete their OATH and submit it yet. FACE Liaison voiced that there is a law according to the law, says that you must fill out your oath of office within 30 days of being elected to the seat. She said her and her colleagues will discuss as they have been, and an email will be going out to the member in the coming days. She also mentioned that they will email the A.A and President with next steps in the coming days.

President Mezetin voiced that Member Annie Cok had a previous engagement that she made everyone aware of at the FACE orientation and sent absence form via email before the July's meeting.

President Mezetin voiced that Member Geoffrey Luan had an injury which prevented him to attend July Calendar and Business Meeting. He did attend virtually and emailed his absence form before the meeting.

President made a motion to approve Council Member Geoffrey Luan for his July Calendar and Business Meeting virtual attendance.

Seconded by 1<sup>st</sup> Vice President Lauren Clavin with no objections from Council Members

Motion passed

President Mezetin explained that having an absence for any reason does not guarantee it will be approved. The goal is for everyone to attend meetings in person. If attendance isn't possible, members should complete and submit the absence form. However, some absences have not been approved in the past. Members are allowed up to three unapproved absences before action may be taken.

We understand that things happen—many of us are parents and have responsibilities. Still, not every reason will necessarily be considered valid, as other council members may decide not to approve it. There are absences from this meeting that we will review and discuss at the next meeting.
