VISION & MISSION

VISION

The Vision of York Early College Academy is to develop the next generation of forward thinking, tenacious leaders who are socially responsive to their communities.

MISSION

The Mission of York Early College Academy is to provide a highly supportive and academically challenging learning environment for traditionally underserved, but strongly motivated students who are committed to college and career success. Upon entering the sixth grade, college and career preparation is introduced and continually communicated to all students while progressing through a rigorous curricula and instruction centered on critical thinking, research, communication, professional writing, and problem solving.

Our mission will be actualized in an environment where trust is cultivated amongst students, teachers, administrators, staff, parents, and the community.
